If you do not agree, you should not use or access the Sites.

General Content Disclaimer

PCA's website and online database contains information on organizations that provide a variety of programs and services for people who are older or have disabilities and their caregivers. This information, and its inclusion here, is provided as a public service for informational purposes only, and does not signify any affiliation between these organizations and services and PCA. Unless specifically designated as such, no service listed in this website is provided by Philadelphia Corporation for Aging. PCA cannot and does not guarantee or make any warranty, express or implied, regarding the accuracy, reliability, or completeness of information included in the Sites, nor does PCA accept any responsibility for any loss, damage, or expense resulting from or related to use of this information. The Sites are not intended to render professional or medical advice. Information included in the Sites is subject to change without notice.

Rules for User-Generated Content

PCA reserves the right to refuse to post or to edit or remove, in whole or in part, any submissions you make to the Sites (i.e. user-generated content including but not limited to comments, forum messages, and photographs) (the "Submissions") that is, in PCA's sole discretion, abusive, defamatory, obscene, or otherwise unacceptable or undesirable. PCA has the right but in no way the obligation to exercise such reservation of rights.

Comments must reflect the subject under discussion. You shall not upload to, or distribute or otherwise publish on to the Sites any libelous, defamatory, obscene, pornographic, abusive, or otherwise illegal material. You further agree that you will not threaten or verbally abuse others, use defamatory or discriminatory language, or deliberately disrupt discussions with repetitive messages, meaningless messages or "spam." The Sites shall be used only in a noncommercial manner. You shall not, without the express approval of PCA, distribute or otherwise publish any material containing any solicitation of funds, advertising or solicitation for goods or services.

By submitting information to the Sites, you grant PCA a perpetual, nonexclusive, worldwide, royalty free, sub-licensable license to the Submissions, which includes without limitation the right for PCA or any third party PCA designates, to use, transmit, copy, cache, tag, encode, modify, adapt and display such information in any and all media now know or hereinafter devised and represent that you have all necessary rights in such Submissions.

Information relating to third parties unrelated to PCA, including advertisements by third parties and links to websites operated by third parties (Third-Party Websites), is provided solely for informational purposes, and does not constitute an endorsement by PCA of the accuracy or reliability of any information, products and/or services provided by such third parties, nor does it signify any affiliation between the advertiser or Website owner and PCA. Further, PCA assumes no responsibility for products supplied by or services rendered by, or arrangements made with, any third party.

You assume complete responsibility and risk in your reliance on information contained in any advertisement or any Third-Party Websites. Such advertisements and Third-Party Websites may offer services, products, or other resources and are provided for your convenience only. Links to Third-Party Websites will take you to websites that are not related to PCA and not under our control. Your use of such Third-Party Websites will be governed by each Website's terms and conditions and other applicable policies. PCA cannot be responsible or liable for any content or related materials contained on any such Websites. You should be aware that the material posted on such Third-Party Websites may or may not be accurate and up-to-date. Any questions about content you find on such Third-Party Websites should be directed to the owners of those Websites.
