

PHILADELPHIA CORPORATION FOR AGING

PCA Infographic

For half a century, PCA has improved the quality of life for older Philadelphians and people with disabilities to achieve their maximum level of health, independence and productivity. PCA's legacy of impact has grown to over 30 programs that support older Philadelphians and adults with disabilities. Highlights of the services provided since 1973 include:

43 million nutritious meals provided to older adults through PCA's home-delivered and community-based meal programs.

5 million shared rides sponsored by PCA for older adults through the SEPTA CCT Connect Shared Ride Program.

3 million+ callers provided with information, assistance, scheduling of assessments, and connections to programs and other referrals through PCA's Helpline.

2 million+ hours of companionship and assistance provided to homebound older adults through the Senior Companion Program.

1 million initial and follow-up assessments for long-term care services conducted.

1 million older Philadelphians assisted with free Medicare counseling through PCA's administration of the PA MEDI Program.

Over 50,000 reports of abuse, neglect, abandonment and exploitation investigated by the Older Adult Protective Services Team.

28,000 homes made safer and more secure for older Philadelphia homeowners through PCA's Senior Housing Assistance Repair Program (SHARP).

9,000 caregivers supported with holistic resources through the Caregiver Support Program.

2,700 Philadelphians provided with alternative living arrangements created to place those with barriers to daily living in a friendly home environment through PCA's Domiciliary Care Program.

28 senior community centers or satellite meal sites currently operated or affiliated with PCA today to provide community and connection for older adults throughout the city.
