

Working with adults who self-neglect

**Explore challenges and solutions in
supporting self-neglecting adults.**

This event will provide an opportunity for open dialogue about the complex challenges professionals face when working with adults who self-neglect. Attendees will discuss real-world scenarios, share best practices for addressing these situations, and explore strategies for effective collaboration across agencies.

June 11, 2025, 9:30 a.m.-11:30 a.m.
Philadelphia Corporation for Aging
642 N. Broad St.,
Philadelphia, PA 19130
